7           PUERTO RICO AQUEDUCT AND SEWER  
8           AUTHORITY

9                               Defendant

**CIVIL NO. 97-1493 (JAG/GAG)**

10                                   **ORDER**

11               On February 3, 2004, the Court advised the parties until March 31, 2004 to agree to a consent  
12               decree, to be approved by the Court.

13               In the event no such settlement is reached, the Court shall hold an evidentiary hearing as to  
14               the request for injunction and declaratory judgment on **Thursday, April 29, 2004 at 9:00 a.m.** If  
15               necessary, the same shall continue the following day.

16               The Court advises the parties that it can no longer extend the final disposition of this case  
17               which dates back to 1997.

18                               **SO ORDERED.**

19               In San Juan, Puerto Rico this 25<sup>th</sup> day of March, 2004.
